

## Statement of Pledge

[company's name]

CEO Mr.

As being employed by your company, I pledge to comply with the following items.

### Note

- 1 To work in good faith and comply with your company's work rules and regulations.
- 2 Not to make an objection against the cancellation of my employment when you find that there are differences in my resume or other documents submitted at the time of recruitment.
- 3 To strive to maintain your company's credibility and honor, and not to act in any way that would injure it.
- 4 Not to disclose, provide or leak any important matters relating to your interests or credit, or matters that belong to trade secrets to a third party.
- 5 To compensate the damage amount immediately if I violate my obligations as an employee and cause damage to your company intentionally or due to gross negligence.
- 6 To follow the order of personnel reassignment or transfer issued by you or your affiliated company.
